Mini Heros "Hands On" Private Training Packages

The Mini Heros "Hands On" program is designed for the people who want a "Hands On" experience while training their dogs. We'll meet with you once per week (sometimes twice) and train with you, helping you each step of the way. We'll show you all the methods used to help mold your small dog into a huge success!! We'll introduce you to the "Ten Minutes A Day" rule that will help keep you and your pal on the same page with your training.

Mini Heros Level 1 (On Leash)

Mini Heros "One on One" Training Packages

The Mini Heros "One on One" program is designed for the people who want a well trained dog, but simply don't have the time to participate in weekly training and homework. We come to your home and pick your dog up for his training! After your dog has completed the lesson series, you meet with us for 30 minutes or so to cover what was taught during the lessons and see the reward of all their hard work! The seven lesson "One on One" is a great way to deal with leash pullers and on-leash aggression.
