Nitro Dog "Hands On" Private Training Packages

The Nitro Dog "Hands On" is designed for the people who want a "Hands On" experience while training their dogs. We'll meet with you once per week (sometimes twice) and train with you, helping you each step of the way. We'll show you all the methods used to help mold your dog into a canine good citizen. We'll introduce you to the "Ten Minutes A Day" rule that will help keep you and your pal on the same page with your training.

Nitro Dog "One on One" Training Packages

The Nitro Dog "One on One" program is designed for the people who want a well trained dog, but simply don't have the time to participate in weekly training and homework. We come to your home and pick your dog up for his training! After your dog has completed the series of training lessons, you meet with us for 30 minutes or so to cover what was taught during the lessons and see the reward of all their hard work! The three lessons "One on One" is a great way to deal with leash pullers and on-leash aggression.
